MACHINERY OPERATION COMPLIANCE AGREEMENT

Section 154-2(A) of Code of the Village of Great Neck Estates states that no person shall cause the operation of any machinery, drills, power saws or other equipment between the hours of 9:00 PM and 8:00 AM on the following day, or at any time on Sundays or holidays, if such operation causes the emission of noise audible beyond the boundary of the property on which the machinery or equipment is located.

I, the undersigned, have read, understand and will comply with the aforementioned section of the Village Code.
